INTRODUCTION

Fairlands Middle School is a mixed school covering years 5 - 8 (children aged between 9 and 13) located in Cheddar, 8 miles from Wells and 20 miles from Bristol.

THE SCHOOL

The school was opened as a new purpose-built school with specialist accommodation in 1976, when reorganisation into the three-tier system took place within the Cheddar Valley.

There are currently 434 pupils on roll with a team of 30 teachers and a similar number of support staff. All of the teaching staff act as class tutors, and will have responsibility for pastoral care and developing the partnership with the parents/carers. Pupils transfer mainly from four partner First Schools, approximately half from Cheddar itself, the remainder travelling in from Axbridge, Draycott & Rodney Stoke and Shipham. Some other children travel from 'out of catchment' areas.

An Ofsted team of Her Majesty's Inspectors paid a visit to our school in January 2020 and agreed with our judgement that Fairlands Middle School is a 'Good' school. We are very proud that in previous inspections nothing has been judged as anything less than 'Good'.

Our main aim is for the children to be able to learn to their full potential and develop lively enquiring minds. We will help them to grow as independent young people, well prepared for the next stages in their learning and able to thrive in our complex and challenging society.

In order for the children to learn best we set out to provide an environment in which pupils feel secure and are able to develop their own self-esteem. We emphasise respect for others and a sense of personal responsibility within the community.

At Fairlands Middle School the parents support us strongly in our educational and social activities. We regard it as essential to develop strong partnerships between home and school, and the wider community.

Fairlands Middle School converted to an academy and joined the Wessex Learning Trust on 1 April 2020, which comprises 18 schools, including First Schools, Primary Schools, Middle Schools and Secondary Schools covering the 2-19 age range.
